

Part 6: He'll Get You Through

Pastor Dave Browning

February 19 & 20, 2011

Exodus 14:21-22

Then Moses stretched out his hand over the sea, and all that night the LORD drove the sea back with a strong east wind and turned it into dry land. The waters were divided, and the Israelites went *through* the sea on dry ground, with a wall of water on their right and on their left.

After God gets you out, he'll get you through.

You'll find yourself at a juncture where:

Your enemy will pursue you

Your resources and reason will not be enough

You will feel out of control and trapped

Note to Traveler:

God may not lead you via the easy route.

God will do miracles to get you through.

Miracles of protection – the movement of the cloud

Miracles of direction – the opening of the sea

Miracles of separation – the drowning of the pursuers

Note to Traveler:

As you get through, the opposition will be left behind.

(Continues on back)

When blocked in on every side...

1. Place your trust in God
2. Express confidence toward the challenge

Faith is that attitude of heart and mind that submits to God and obeys Him because it expects Him to be who He says and He is, and to do what He says He'll do.

3. Keep moving forward by faith

Note to Traveler:

There is no way around it. You'll have to go through it.
